AUTHORIZATION AND LICENSE TO REPUBLISH

A major mission of Crossmap Inc. ("Crossmap") is to increase biblical literacy and Christian worldview through digital content. In order to facilitate this process, Crossmap allows authors to retain ownership of the copyright in their works, requesting only that Crossmap be granted the right to re-publish the work on its websites and apps. Therefore, the parties agree as follows:

1. Grant of Rights to re-publish. You hereby grant to Crossmap the right to re-publish blogs, devotionals, sermons, and articles on _____ electronically and in audiovisual formats (the "Rights"). Crossmap's rights are non-exclusive, worldwide, perpetual and irrevocable, but also non-sublicensable and non-transferable. Crossmap plans to re-publish the blogs, devotionals, sermons, and articles (the "Contents") on its websites and apps.
2. Posting. You retain all rights in the Contents subject to the non-exclusive rights granted to Crossmap in Section 1 above.
3. Notice Request. Crossmap will include a notice at the bottom of the Contents when re-published. Please indicate your required notice here:

4. Warranties. You warrant that:
 - a. You are the sole author and owner of the Contents and the rights pertaining thereto or, if the Contents is a work of joint authorship, that all of the owners of the Contents have signed and submitted a copy of this document. If the Contents is owned by your employer, you warrant that you have obtained permission to enter into this agreement and to grant the rights herein described to Crossmap.
 - b. Crossmap does not need the permission of any other party to exercise the rights granted herein.
 - c. The Contents do not contain any defamatory or other unlawful content.
 - d. The Contents do not infringe upon the rights of others.
 - e. The Contents are original to you.
 - f. If the Contents contains significant excerpts from other copyrighted materials, written permission from all of the copyright owners of those materials have been obtained, copies of such permissions are available, and proper credit and attribution have been given in the Contents itself.
